

Christmas

Activity Set

A4 version from:

www.ScrapbookScrapbook.com

This is part of the 28 page Christmas Paper Craft Activities Set for Color, Cut & Assemble Fun. For convenience the set is divided by project since some of the projects require different types of paper.

NOTICE:

This Christmas Activity Set is free for your personal use. No parts of this set may be distributed or sold in printed form, in Digital form or as part of a collection. Don't even think of putting it on a CD!

The Christmas Story

The birth of God's Son,
Jesus is the reason for our
celebration at Christmas time.

God sent an angel to Mary to tell her
that The Holy Spirit would come upon her
and that God's power would rest upon her &
that she would give birth to a special son.
The holy child was the Son of God and the angel
told her his name would be Jesus.

Mary went with Joseph, to whom she was
engaged, to Bethlehem to sign the King's
register.

There was no room at the hotel so they
stayed in a stable and while they were,
Mary gave birth to her first son, wrapped
him in cloths and laid him in a manger.

A special star came up in the eastern
sky and stopped over the place where
the child was born

There were some shepherds in the fields
taking care of their sheep. An angel of
the Lord appeared to them and told them
of Jesus' birth. The shepherds said to
one another, "Let's go to Bethlehem and
see." They hurried off and found Mary
and Joseph and the baby.

This was the
baby that grew up perfect in every way.
He was here on earth to fulfill God's
prophecy in the Bible's first half,
The Old Testament, and make a way for
us to be forgiven of our personal sins
so we can have everlasting life in Heaven.
Jesus' life and God's plan for us is told
in the Bible's second half-The New Testament.

A Nativity Scene to make yourself

All you need to make your own manger scene are scissors, glue, and the next 8 pages.

Do your coloring or painting first. Do not color or paint the tabs to be glued.

Fold on the dotted lines. Your folds will be nicest if you first score the fold lines with a straight edge (ruler) and a ball point pen that no longer writes.
