DANCING CHRISTMAS ELF

INSTRUCTIONS

You will need 6 paper fasteners like this:  and 4 pieces of string. Use the marks on the edge of this page to cut 2 pieces 5" and 2 pieces 8".

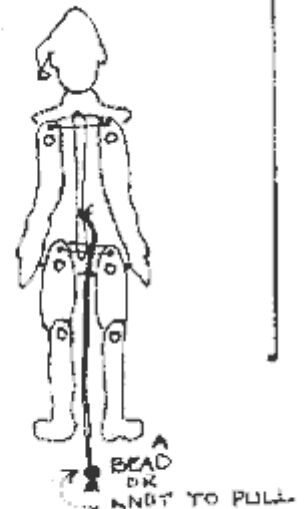

Carefully punch holes at marks and cut out the elf body parts.

Attach the arms and legs to body with fasteners.

Twist the fasteners several times in the holes so legs and arms move smoothly.

With arms + legs straight down, tie a string loop thru upper hole in the arms + one thru the legs. Clip off the extra string. Using an 8" string, tie a loop around arm small loop + leg string loop. Use the last piece of string to tie to large loop as shown.
